DECISION ON PETITION  
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 29 June 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has now provided payment of the full, U.S. Basic National Fee. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America. Further, a review of the application file reveals that all of the requirements of 35 U.S.C. 371 for entry into the national stage in the United States were satisfied with the filing of an executed declaration of the inventors.

The application has an international filing date of 20 August 2002 under 35 U.S.C. 363 and will be given a date of **29 June 2005** under 35 U.S.C. 371(c)(1), (c)(2) and (c)(4).

This application is being returned to the United States Designated/Elected Office (DO/EO/US) for treatment in accordance with this decision.
